

IMSE Ph.D. Advisor Selection and Agreement

All IMSE Ph.D. students are required to identify a faculty advisor for their Ph.D. research by the end of their first year in the program. The faculty advisor must be a member of the IMSE Graduate Faculty (see <http://imse.wustl.edu/people>) and must be able to support the student (stipend and required fees) as long as they remain in good standing with the university and their research group.

Student Name (please print): _____

IMSE Advisor Name (please print): _____

IMSE Advisor Department (please print): _____

“By signing below, I agree to be the Ph.D. advisor and primary research mentor for the above named student. I further agree to ensure that this student is supported financially (stipend and required fees) as long as they remain in good standing at the university and with my research group.”

IMSE Advisor Signature: _____ **Date:** _____

“By signing below, I acknowledge that the above named faculty member of my department is accepting an IMSE Ph.D. student into their research group and will support this student as long as they remain in good standing at the university and with the faculty member’s research group.”

Dept. Chair’s Signature: _____ **Date:** _____

Dept. Chair’s Printed Name: _____
